Curriculum Day Next Friday

Good afternoon families,

It has been so nice to have a full week of onsite learning which is a first for this term.

Monday certainly kicked off on a high, listening to all the children's highlights of camp last week. We are so proud that we were able to send our adventurers off on their camps and that the children all shone in their individual ways. The resilience building, the fresh friendship it builds, the experience of trying new things, pushing through experiences that possibly that we thought we couldn't do and generally enjoying the experience with our peers are some of the reasons we head to camps. A massive thank you to our parents who assisted, we certainly appreciated your help! A big thank you also goes to our staff for their organisation around this, it was a massive task, as usual we did in true DWPS style – working together!

Over the coming weeks, we have some more experiences planned, our fingers are crossed that our plans go ahead, it is all subject to COVID and what restrictions might be in place. Our junior team are heading on an excursion to Coal Creek as a part of their unit of work and for the whole school we have planned our swimming program in the last two weeks of this term.

Next Friday, we have a planned student free day which the staff will be involved in professional learning.

Thank you for your ongoing support,
Kind regards,

Kelly Halliday
Principal

**ENROL NOW
FOR PREP 2022!**

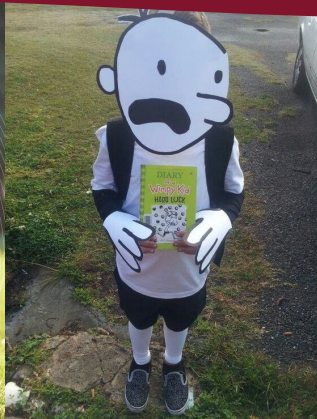

If you have another child to enrol next year, can you please do this ASAP, we are confirming enrolments and we really need to know the expected siblings to come into prep for 2022.
