Drouin West Primary School

'Be Safe, Be Kind, Be Respectful, Be a Learner'

Student Free Day on Monday 22nd

It has been another fantastic week here at Drouin West. It is very evident that the students are bringing the years learning together in so many ways, it has been great to see such progress considering the disrupted year we have all had.

2022 planning is certainly well underway, if you have any changes to your enrolment for next year, please let us know ASAP. Our students get a chance to indicate which friends they would prefer to be with next year, this process has begun, we try our absolute best to ensure they get at least one friend from that list. We are still planning for an 11 grade structure for 2022.

With much delight, we have commenced our 2022 prep transitions. It is fantastic that we can have our new prep students attend onsite for this and we look forward to meeting them all over the coming few weeks. On December the 7th, we are having a whole school transition day, this is the day where the students go into their 'new grades' with their 2022 teacher. We will also be welcoming some new staff to our school, as some of our current staff members take some well-deserved breaks and others obtaining employment closer to home. We are currently in the recruitment phase, so we will confirm staff as soon as possible.

With four weeks to go for the school term, we are certainly noticing some fatigue kicking in and considering the routine changes this year, we are not surprised. It will be vital to keep up the good bed time habits to make it through and we want to make every minute matter at school. Being on time for the morning learning is critical.

Attendance Matters

Every student. Every day.

With some sports and after school activities kicking back in too, it has been fantastic to hear the children re-connecting to friends and meeting new people. Please continue to take care of yourselves and keep doing the best you can do!

Don't forget we have a STUDENT FREE day this coming MONDAY, all staff are involved in a full day of professional learning in our mathematic space. Looking forward to seeing everyone's smiling face on Tuesday.

Take care and enjoy your weekend.

Mrs Kelly Halliday

Welcome 2022 Preps!

2022 Prep Transition!
