7th November 2024

Dear Parent/Guardian,

Drouin West Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of Art, STEM, AUSLAN, Library and Physical Education equipment and resources, which in turn, supports them to be exemplary programs coinciding with our elite classroom teaching of the established subjects such as Reading, Writing and Maths. These programs run alongside the traditional classroom teaching and learning programs and are imperative to provide an effectively balanced and rigorous overall education for your children.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Kelly Halliday
Principal

School Council President

PARENT PAYMENTS POLICY OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Other Contributions

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.
